

Provisional hospitality bookings being taken

Packages available in the Woodlands Lounge.

Wycombe Wanderers endeavour to be ready for the first fixture at which fans may be able to return to Adams Park and are therefore accepting provisional bookings for VIP hospitality at forthcoming home games.

It is likely that changes in tiers could come with little notice before any given matchday, leaving a short turn-around to make tickets available and make arrangements for hospitality guests.

With that in mind, no money will be taken for hospitality bookings at this stage, but you are invited to make a provisional booking which will be followed up by our commercial team if and when we receive notification that we may welcome fans back into the stadium.

Hospitality packages are available in the Woodlands Lounge for £600 for a table of six (must be a social bubble), to include a meal from local restaurant Lata Lata and drinks included, plus parking and teamsheets.

A number of executive packages are also available, with prices given on request.
