

Origin extend Chairboys commitment

"We're really proud of our partnership with Wycombe Wanderers and love the relationships we hold with the staff, players and supporters."

Origin Doors and Windows have extended their sponsorship of Wycombe Wanderers for another year, committing to sponsoring the club's rear of playing shirts for the 2021/22 season.

Having first partnered with the club in 2014, the High Wycombe-based company will now enter an eighth season of sponsoring the Chairboys, seeing their branding adorn the playing and replica home, change and goalkeeper shirts, as well as taking an executive box for all 23 home league matches.

Pete Couhig, Wanderers' Chief Financial and Operating Officer, said: "Origin have been fantastic sponsors of the club for some time now and it's been great to see their company continue to grow from its base right next door to us on Hillbottom Road, and their showroom in Cressex.

"Their commitment to the club during its rise from League 2 to the Championship has been a huge pillar of support for us and we're delighted to have them on board again next season."

Ben Brocklesby, Sales & Marketing Director at Origin, added: "We're really proud of our partnership with Wycombe Wanderers and love the relationships we hold with the staff, players and supporters.

"We can't wait to see the team back in action, and the stadium full of fans again next season, and look forward to what the next chapter holds."
