

Wycombe Wanderers Women first team continued pre-season with a strong performance against Portsmouth Development team on Sunday, winning 3-2.

Chante Inniss continued her fine recent form, opening the scoring with only eight minutes on the clock.

Great link-up play between Emma Kern, Katie Riddington and Inniss then allowed Samantha Jackson to make the scoreline 2-0 with an impressive volley from the edge of the box.

Bonnie Messitt then converted to make it 3-0.

In the second half Portsmouth worked hard to get themselves back into the game, scoring two goals in quick succession to bring the full-time scoreline to 3-2.

Coach Dan Weber commented: "What was great about the game was seeing some of the work from the training ground starting to pay off. The first half in particular, we were much better defensively and our build up play was showing promising signs too."

Next week (31st July) the first team travel to Maidenhead United.

Meanwhile, Wycombe Wanderers Women's reserves kicked off their pre-season campaign with a trip to Actonians.

Before the game, new manager Jaymie Bailey made it clear that the focus of the game was having a well organised and compact defence but wanted the players to have freedom and show what they could offer when in possession.

After a strong warm-up, the team went out and did just that, scoring three goals within the first 20 minutes of the game.

Actonians fought their way back, scoring two goals, bringing the scoreline to 3-2.

After regaining their initial form, the Chairgirls went on to score a further five goals whilst conceding one, making the final score 8-3.

Debutant Charlie Potter put on a great performance, scoring four times. Jess Gomes, Sally Grimm and Ella-Jay Connell were all on the scoresheet too.

The reserves are next in action on Sunday 14th August away to Brentford Reserves.

Wycombe Wanderers FC Women are delighted to announce that Karen Adams has put her name forward to sponsor the Chairgirls' first-team coaches for the upcoming 2022/23 season.

Karen Adams, granddaughter of Frank Adams - a significant benefactor and former captain for the Chairboys - has supported Wycombe Wanderers for many years. Upon sponsoring the coaching staff, Karen said: "It will be an honour to support the coaches; I know that David Robertson was very committed to Wycombe Wanderers Women and I'm doing this in his memory."

Karen and David knew each other through Wycombe Wanderers Trust and its various events held throughout the years. David also sat on the board of WWSET as a trustee, with Karen. Committed to Wycombe Wanderers Women, David continued his work for all aspects of the football club before he sadly died from cancer in 2021.

Her sponsorship will cover the cost of a new video tool which will provide match footage for analysis and highlights purposes.

We thank Karen for her brilliant support to the Chairgirls.
