

Wycombe Wanderers' first networking lunch of the season, following the success of the recent [golf day](#), welcomed 100 guests from local businesses to Adams Park to enjoy a two-course meal and a talk from guest speaker Gareth Ainsworth, who shared the importance of building a high-performance team.

The lunch - sponsored by Academia - was held in the impressive Woodlands Lounge, overlooking the pitch and countryside, where guests from companies including Bucks New Uni, Visit Bucks, Bucks Business First and many more took the opportunity to network and hear insights from the Chairboys manager, who took questions from host Phil Catchpole and attendees in the room.

Following the meal, guests had the chance to win prizes from the raffle which included a Toshiba TV provided by VESTEL, a clay shooting experience at EJ Churchill and a £100 John Lewis voucher, which were all kindly gifted by sponsors for the event. A private auction was held where guests had the chance to win a signed 'Ainsworth 10' shirt framed alongside a picture of themselves with Gareth.

"I was really pleased to be part of the event and we look forward to seeing our guests back at Adams Park in the near future."
