

All three Wycombe Wanderers Women's sides picked up victories over the weekend with the main focus being on the reserve side, who sit top of the table.

Wycombe Wanderers Reserves 5-0 Denham United

2023 got off to a winning start for the Reserves as they showed their depth in numbers by using the full squad in the game vs Denham United.

The first goal came from Shannon Read who slotted at the near post from a tight angle to score the first of five goals for the Chairgirls. The second came from a corner when Charlotte Webber headed toward goal before Amy Norfolk directed the ball the other way to get a goal for herself inside the area.

Keira O'Leary then made it 3-0 with a strike from the left hand side of the area to place it into the right side of the goal. O'Leary also made it 4-0 after good play down the right side with Amelia Gilbert and Emily Norfolk, when she tapped in at the back post.

After the break Chelsea Reeves got onto the end of a cross and produced a near post finish. Credit to Denham United, they continued to battle and their goalkeeper produced many saves in both halves to keep the score down. Emma Dean celebrated her first clean sheet as the Reserves go ten points clear at the top of the table.

Player of the match was Milly West.

Wycombe Wanderers Under 18s 2-0 Notts County

It was a great performance from the Chairgirls on Saturday morning, from the first whistle to the last, not allowing Notts County any time to settle on the ball.

Wycombe dominated the game for the majority and took the lead in the first half from a corner when a good delivery in to the box saw Jess Fuller hit the back of the net from close range after a goalmouth scramble.

Wanderers continued to control the match in the second half and extended their lead when good build up play down the left and the middle of the park ended with a through ball for Freya Harris to run on to and fire into the top corner.

The Chairgirls continued to force pressure on Notts County's goal with plenty of creativity but just couldn't capitalise.

Badshot Lea Ladies 1-5 Wycombe Wanderers Women

The first team won 5-1 in a friendly away to Badshot Lea Ladies FC.

Two goals from Sophie Attfield and one each from Katie Riddington, Esme Sword and Kara Howes rounded off an excellent weekend for the Chairgirls.

Manager Carl Simon added: 'That completes a great couple of warm up games that we really needed. Physically we are in great condition and in terms of team function we saw a real understanding and application of individual roles and responsibilities. Back to league action next week but we have momentum and we have to fight to keep it with us.'
