

Wanderers are thrilled to have reached an agreement to bring midfielder Matt Butcher to Adams Park on a permanent deal following his departure from Championship club Plymouth Argyle.

The 26-year-old was an integral part of the Pilgrims' title-winning side in League 1 last term, and has featured 18 times already this season in the second tier.

A Bournemouth academy graduate, Matt spent time on loan in non-league with Gosport and Woking before making his first strides in the EFL with Yeovil, featuring against the Chairboys in the 2016/17 campaign.

He enjoyed a stint north of the border with St Johnstone before making a permanent switch to Accrington Stanley in 2020, and scored at Adams Park on the first day of the 2021/22 season before contributing an assist in the reverse fixture.

Plymouth was his next destination, and his 48 appearances last year included the two 1-0 wins against Wycombe, with his final game for the Devon club coming in a 1-1 draw at Leeds United on Saturday.

Wycombe's new number 8 was unveiled to the crowd at half-time during their Bristol Street Motors Trophy quarter-final tie against Brighton & Hove Albion Under-21s on Wednesday night. His move remains subject to completion of the necessary paperwork and EFL/FA approval.
