CRAIG'S THOUGHTS

“ Absolutely delighted to get Jahiem on board with us, we had spotted him last year at Blackfield and were close to getting him with us in the summer but so pleased for him to get a dream move to pro football, he had a loan at Bracknell which again we watched him play very well in games for them, he is local to us and is a great kid which fits our group, an exciting talent and one I am really looking forward to adding to the squad! Welcome Jahiem ”
