

Wycombe Wanderers are pleased to confirm that Mike Dodds will become our new first-team Head Coach, signing a contract until June 2028.

After a thorough and comprehensive process, we are delighted to welcome Mike to the club. Despite the pressures of a mid-season appointment, we took the necessary time to ensure we made the right decision, focusing on the long-term vision of Wycombe Wanderers.

"We are confident that his leadership will help us further strengthen our pathway from youth to first-team football."

Mike joins us with a wealth of experience in coaching and player development at Coventry City, Birmingham City and most recently Sunderland, having worked extensively in elite football environments at both academy and first-team level. His track record in improving individual players developing young talent was a key factor in our decision, as we believe this will be crucial to our long-term success.

In addition, Mike shares our vision of building the club through innovation and data, ensuring that we continue to evolve and stay ahead in an increasingly competitive landscape. He also strongly aligns with our commitment to the academy being an integral part of our future strategy,

and we are confident that his leadership will help us further strengthen our pathway from youth to first-team football.

Mike will begin working with the squad on Thursday and Friday, leading into Saturday's fixture against Preston North End. Until then, Sam Grace, Sam Vokes and the interim coaching staff will continue to oversee preparations and will remain an important part of our football staff moving forward.

We will work closely with Mike to build the rest of the coaching team in due course, ensuring we have the right structure in place to support our ambitions.

We look forward to introducing Mike to you all soon and embarking on this exciting new chapter together.
