

Become one of Wycombe Wanderers' new signings in the January transfer window by signing your business up to a half-season advertising package at Adams Park for the final 12 home games of the regular season.

We're offering local businesses the chance to partner with us and take advantage of some fantastic advertising rates at Adams Park from January 1st til the end of the season, starting with the televised fixture against Cardiff City on New Year's Day.

And there's extra-special incentives for doing so, too:

- Any Wycombe Wanderers season ticket holder who refers a company for this opportunity will be receive a club shop voucher for 2% of the value of the advertising package
- Every company that takes up the half-season advertising package will receive one entry into a prize draw for every £100 spent, with prizes including an executive box for a home game, an email advert to 50,000 supporters, a spotlight post on the club's LinkedIn page and a squad-signed frame shirt

Check out the four packages below and email commercial@wwfc.com for any enquiries and bookings.
