

Wycombe Wanderers have completed the signing of free agent Andre Vidigal following a trial period with the club.

The winger, aged 27, left Stoke City at the start of January having made 43 appearances over the previous two seasons following his switch from Maritimo.

Capped by Portugal at various youth levels before earning a first full international cap with Angola last March, Andre started out in Portugal with Academica before enjoying a successful loan in Holland, winning promotion with Fortuna Sittard and making the move permanent in 2018.

He tasted success in Cyprus during a loan spell in 2019/20, winning the title and Super Cup with APOEL Nicosia, and returned to Portugal to win the league with Estoril as well as clinching the Young Player of the Year award in the second tier.

He featured regularly for Maritimo over two seasons to earn a move to Stoke, where he worked with Chairboys coaches Alex Morris and David Hibbert, and was reunited with them last month when he arrived at Marlow Road to link up with the first-team squad.

His move remains subject to EFL and FA approval, and confirmation of the player's visa.

Tom Stockwell, the club's Director of Football Strategy and Data Intelligence, commented: "We are delighted to welcome Andre to the club until the end of the season. Andre has been with us for the last couple of weeks, and seeing his quality on the training pitch we are sure he can help us in the second half of the season.

"With experience in Portugal, Netherlands and England already, Andre has shown his ability to adapt and be successful in different environments. With his most recent experiences in the Championship we are confident Andre is ready to hit the ground running.

"Andre will be in contention for the squad this weekend against Doncaster and we look forward to seeing him in action soon."
