

**More than 600 local schoolchildren and parents were at Adams Park on Saturday after taking part in a competition to design the t-shirts worn by the team during the warm-up ahead of their League One fixture with Blackpool.**

The initiative – run jointly by the club and Foundation – invited schools to engage their pupils in the contest, with each winner being invited pitchside for a photo with the team and to see their designs up close.

Each shirt will now be framed and presented to the school to be put on display.

Alfie Nelson, the club's Marketing Executive behind the campaign, commented: "We were delighted with the interest shown by schools and their students, and it was great to see the designs come to life on Saturday and to welcome everyone who'd taken part, so it was a huge success story for the club."
