

Wycombe Wanderers are seeking a dedicated and proactive Junior Physiotherapist to join our growing, forward-thinking medical department within the First Team.

This is a demanding role in a fast-paced environment within professional sport. The successful candidate will assist in delivering high-quality physiotherapy services to our First Team players, with a focus on injury risk mitigation, assessment, treatment, and rehabilitation to optimise player performance and availability.

You will support First Team treatment provision, with a key focus on soft tissue treatment, injury assessment and rehabilitation alongside player tracking and monitoring.

You should be an effective communicator who can build productive working relationships with players and staff, with a commitment to ongoing learning and professional growth within a high challenge, high support environment.

To apply, send a CV and covering letter expressing your interest and suitability, to jobs@wwfc.com. Please title your email "First Team Junior Physiotherapist".

Applications will close on 19th June. We will interview suitable candidates prior to that time and reserve the right to close the application process early should we find the right person.
