

Cauley Woodrow is BACK at Wycombe Wanderers, and this time it's a permanent deal, with the striker rejoining the club following a successful loan spell last season.

The 31-year-old was the Chairboys' top scorer in all competitions in 2025/26, scoring 12 times and providing four assists during his loan from Luton Town, and he leaves the Hatters this summer after a four-year stint to link up with the Blues once again.

Amongst the highlights of Woodrow's loan were a superb long-range effort against former club Fulham in the Carabao Cup fourth round tie at Adams Park in October, and an equally stunning lobbed goal against Stevenage during a prolific run of goalscoring form on home turf in the spring.

Having joined Wycombe on transfer deadline day last September, he went on to surpass 400 career appearances, which include time in the top-flight with Fulham and Luton as well as 237 games and 61 goal contributions at Championship level.

"He's also a top professional and character in the dressing room which is important for us to keep pushing forwards."

Wanderers' Director of Football Strategy and Data Intelligence Tom Stockwell commented: "We are happy to welcome Cauley back to the club. Cauley made an important contribution last season on the pitch with 12 goals and four assists. But he's also a top professional and character in the dressing room which is important for us to keep pushing forwards.

"Cauley is an experienced attacking player who can operate as a 9 or 10 in different shapes and systems. He brings the technical quality to link the back to the front for us.

"He will link up with the team tomorrow ready to feature in some of the pre-season friendlies, and this puts him in the best place to impact the team from the start of the season.

"Welcome back Cauley, and this time here to stay."
