

Wycombe Wanderers are pleased to confirm the continuation of the matchday bus services operated by Carousel into the 2026/27 season, and encourage supporters to board the bus to Adams Park from Aylesbury, Thame and Maidenhead or High Wycombe railway station to get to the game.

Travelling by bus is a great way to start and end the matchday together with friends, and often works out cheaper than driving and parking, getting you direct to Hillbottom Road from a bus stop close to your front door.

It means you can leave the car at home and soak up the matchday atmosphere, with the return bus home departing in good time after the final whistle to enable you to toast a win or dissect the game with pals in the bar afterwards.

See below for the full routes and timetables. A return fare of £5 will be charged on all services regardless of pick-up point, though all **kids aged 15 and under travel for free on Carousel buses in August 2026.**

You can view the timetable online at [carouselbuses.co.uk](https://www.carouselbuses.co.uk), and track the bus's live route via their app (App Store and Google Play).

Local Carousel buses on route 32/32A will also be in operation on matchdays. Buses drop off at The Hour Glass Pub. Please check your journey before you travel [via the website](https://www.carouselbuses.co.uk).
